Calling all middle and high school teachers: Join us this summer to gain a balanced view of contemporary China. Understanding complex issues in U.S.-China relations is more critical than ever. Teachers who attend CHINA NOW will become empowered to teach about modern China.

Teachers may be eligible to receive $200 - $400 in stipends and 1.6 CEU credits.

CHINA NOW is also available by livestream: signup.1990institute.org

Co-sponsored by the University of Southern California and in partnership with the San Mateo County Office of Education.
